Dear Mark Cliffe-Phillips,

**Re: Locust Mowing – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Quarry Operation – Fort Smith Area, NT**

The Mackenzie Valley Land and Water Board (Board) met on December 19, 2024 and considered the Application Package from Locust Mowing Inc. (LM) for Land Use Permit (Permit) MV2024Q0018 for the Quarry Operation (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on May 25, 2017<sup>1</sup> and LM has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

Please contact Tyree Mullaney via [email](#) or at (867) 766-7457 with any questions or concerns regarding this letter.
