Dear Mark Cliffe-Phillips,

Re: Northwest Territories Power Corporation – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Miscellaneous – Bluefish Power Generation Facility Site, NT

The Mackenzie Valley Land and Water Board (Board) met on March 14, 2024, and considered the Application Package from Northwest Territories Power Corporation (NTPC) for Land Use Permit (Permit) MV2024X0002 for the Bluefish Power Generation Facility Site and Access Road (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on December 22, 2010,¹ and NTPC has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

Please contact Kathy Racher via [email](#) or at (867) 766-7457 with any questions or concerns regarding this letter.

Yours sincerely,
