Dear Mark Cliffe-Phillips,

Re: Fort Providence Wildfire Experimental Site – Notice of Preliminary Screening Determination – Application for Land Use Permit – Fort Providence, NT

The Mackenzie Valley Land and Water Board (Board) met on June 5, 2024 and considered the Application Package from Government of Northwest Territories – Environment and Climate Change (GNWT-ECC) for Land Use Permit (Permit) MV2024X0010 for the Fort Providence Wildfire Experimental Site (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on March 12, 2009,¹ and GNWT-ECC has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

¹ See MVLWB Online Registry www.mvlwb.com for [GNWT-ECC – Preliminary Screening and RFD – March 12_09](#).
