Re: Notification of Commencement of Preliminary Screening of a Ni Hat'ni Dene Guardian Patrol Cabin

To: Distribution List (including Review Board)

Parks Canada will be conducting a preliminary screening of the potential impacts associated with the construction of a Ni Hat'ni Dene Guardian Patrol Cabin in Thaidene Nene National Park Reserve. According to the requirements of the *Mackenzie Valley Resources Management Act*, Parks Canada must determine any public concern, or adverse environmental, social or cultural impacts before issuing a building permit in a national park.

Attached is a description of proposed construction activities by members of Łutsël K'é Dene First Nation in Thaidene Nene National Park Reserve between July 01 – August 21, 2021. If you have any comments on this proposal, please submit them to me by February 12, 2021.

Thank you. Your feedback is greatly appreciated.

Sincerely,

Danielle Thompson
