Dear Mr. Cliffe-Phillips:

Submission of the Developer's Assessment Report for the Mackenzie Valley Highway Project (EA1213-02)

On behalf of the Government of the Northwest Territories (GNWT), the Department of Infrastructure is pleased to submit the Developer's Assessment Report (DAR) for the Mackenzie Valley Highway (MVH) Project. The document has been prepared in response to the revised Terms of Reference (ToR) issued in 2015 by the Mackenzie Valley Environmental Impact Review Board (Review Board).

The DAR includes a ToR concordance table and is organized into five volumes with associated appendices. The submission also includes a non-technical summary in English. The GNWT will provide the Review Board with translations of the non-technical summary in French, South Slavey, and North Slavey languages in the near future.

In the coming weeks, the GNWT will submit the following documents to the Review Board:

- A document that summarizes how GNWT departments participated in the development of the DAR.
- A comment table outlining how input received from GNWT departments was incorporated into the DAR.
- A Caribou Movement Analysis Study. This document will be submitted in late fall of 2023.

If you have any questions or comments, please contact me at (867) 767-9082 ext. 31035, or by email at Seth.Bohnet@gov.nt.ca.
