

Notice of Postponement of Community Scoping Meetings in Hay River and Kat'odeeche Reserve

April 28 and 29, 2021
Pine Point Mine Project – Pine Point Mining Limited

Please be advised that the proposed April 28 community scoping meeting in Hay River and at the Kat'odeeche Reserve April 29 are temporarily postponed due to ongoing concerns with COVID-19. The Review Board takes concerns with COVID-19 and the safety of community members seriously. We will reschedule at the earliest opportunity and will keep all environmental assessment participants informed as information becomes available.

If you have any questions or need more information, please contact the Sr. EA Officer, Chuck Hubert, at 867-766-7052 or chubert@reviewboard.ca.
