Re: NDDB comments on the Board's draft Terms of Reference for Selwyn's proposed Howards Pass Access Road

Dear Ms. Mansfield and Mr. Toogood,

On behalf of NDDB, I would like to thank the Board and the Board's staff for their thoughtful consideration of NDDB's comments on the proponent's proposed terms of reference. The proponent's thorough draft reflected SCML's previous and consistent communications with NDDB's leadership, community members and advisors. The Board's additions, meanwhile, have addressed most of our outstanding concerns.

We look forward to continued communications and collaboration throughout the duration of the environmental assessment.

Regards,

Chief Peter Marcellais
