Re: Extension for comments on the Developer's Proposed Terms of Reference

The Review Board received Selwyn Chihong Mining Ltd.'s Developer's Proposed Terms of Reference (DPToR) on September 16th, 2015 and requested that comments on the DPToR be submitted to the online review system by November 6th, 2015. However, due to unforeseen circumstances, several of the planned community scoping sessions have had to be postponed.

As a result of this delay, the Review Board is extending the comment period on the DPToR until December 11th, 2015. The Developer's responses to parties' comments will be due one week later, on December 18th, 2015.

The online review of the DPToR can be found [here](#).
