Re: Extension for Developer's responses to comments on the Developer's Proposed Terms of Reference

The Review Board received Selwyn Chihong Mining Ltd.'s Developer's Proposed Terms of Reference (DPToR) on September 16th, 2015 and accepted comments from parties until December 11th, 2015. Initially, the Developer had one week to respond to these comments. On December 15th, 2015, however, the Developer requested an extension for their responses via e-mail.

The Review Board met on December 16th to consider the Developer's request and has agreed to the extension. The deadline for the Developer's responses to comments received on the online review of the DPTOR is now January 18th, 2016.

Parties' comments on the DPToR can be viewed on the Online Review System [here](#).
