Re: Clarification of WCS comments on the DPToR

On December 10, 2015 the Wildlife Conservation Society (WCS) submitted comments on the Developer's Proposed Terms of Reference (DPToR), requesting a consideration of a "no-action alternative". On January 18, 2016 Review Board staff contacted the WCS to request a clarification of this term. On January 22, 2016 the WCS provided a letter of clarification. This letter is posted on the Review Board's registry for this EA.
