**Re: Community and Technical Scoping Session Schedule**

Review Board staff have hosted both community and technical scoping sessions for Selwyn Chihong Mining Ltd.'s Howard's Pass Access Road Upgrade project in Yellowknife, Tulita and Norman Wells. An additional community scoping session is planned for Nahanni Butte. The purpose of scoping sessions is to identify and prioritize issues to be examined further in the Environmental Assessment (EA) process.

The meeting date and location is as follows:

Friday November 27<sup>th</sup>– Nahanni Butte

Location: Recreation Center

Time: 3:00-7:00pm

Dinner will be provided at 5:00pm.

Scoping sessions are held concurrently with the review of the Developer's Proposed Terms of Reference document, which is available for review on the [online review system](#) until December 11<sup>th</sup>, 2015. More information on the scoping phase of EAs can be found on the [review board's website](#). Information on the proposed road upgrade project can be found on the [public registry](#) for the file.

The Review Board contact for this EA is:

Kate Mansfield

Environmental Assessment Officer
