Subject: Re: Dehcho First Nations - Section 35 Consultation Tlı̄ch̄o All Season Road Environmental Assessment

Until unless DGGFN had consented otherwise, according to extend of Treaty 11, the proposed Tłı̄ch̄o All Season road is of interest to us because

- 1) we believe we still have land use and hunting rights in the area
- 2) as party to Treaty 11, our interest in area demands that a full environmental assessment be conducted.
- 3) further issues concerns will be forth at future DGGFN Council meeting
