Subject: Can Zinc & Parks Canada info request

Hi Gary - just to confirm that tomorrow (March 16) Doug Tait and Chuck Blyth (from Parks Canada) will be coming to review the document. Louie Azzolini will be accompanying them but will not be viewing the document. They will be arriving in the morning so I anticipate they will come late morning or early afternoon. I imagine that they will come up here first - do you have a boardroom available or should I book one up here?

Thanks Gary.
