**Subject:** RE: CZN IR documents

DFO is in possession of the CZN environmental documents reported below. If you want to take a look at them please contact Mr. Tyson. Once the documents are provided to the Review Board, they will be on the public register until the Federal Minister, if necessary, responds to the Review Board's Report of EA and EA decision. I have attached the correspondence from CZN and DFO for you information and for contact numbers. Hey its spring folks Cheer up!!

Sincerely,

Louie:

In response to your email concerning the documents requested by DFO:

all of the requested documents were couriered up in two separate batches to Pete Cott and David Tyson ; one on February 19 and the other on February 22, respectively.

copies of the baseline fisheries reports had been previously requested by Pete Cott; so there is no need to return any of the reports submitted to CZN; when you are done with them I am sure DFO would appreciate retaining them for their files.

Thanks.

Regards,

Peter
