Re: MVEIRB File EA00-002 - Prairie Creek Mine Parks Canada Information Request (Feb. 8/01)-DIAND Draft Reclamation Costing Report(document)

Dear Mr. Blyth,

The Nahanni National Park Reserve (NNPR) in its letter dated Friday March 9, 2001 indicated it was unable to physically review the document and was therefore unable to ascertain the relevancy of the document for the purposes of the NNPR Technical Report due on Monday March 12, 2001.

In the interest of procedural fairness, the NNPR should inform the Mackenzie Valley Environmental Impact Review Board (Review Board or Board) before the closing of the Public Registry on March 19, 2001 if it does or does not want to review the document. If so, the Review Board will obtain the document. If not, the Review Board will withdraw the Information Request for the document.

Sincerely,

Luciano Azzolini
Environmental Assessment Officer
