Subject: Land Use Application MV2000C0030 - Prairie Creek Mine - Email 2 of 2

Please find attached a .pdf file addressed to Mr. Gordon Stewart of the Mackenzie Valley Environmental Impact Review Board from Mr. Peter Campbell of Canadian Zinc Corporation. This file, a 1:5000 scale map showing the general exploration area and proposed drill hole locations, is in regard to our Land Use Application MV2000C0030 - Prairie Creek Mine, and is to accompany a cover letter and detailed project description previously emailed under separate cover.

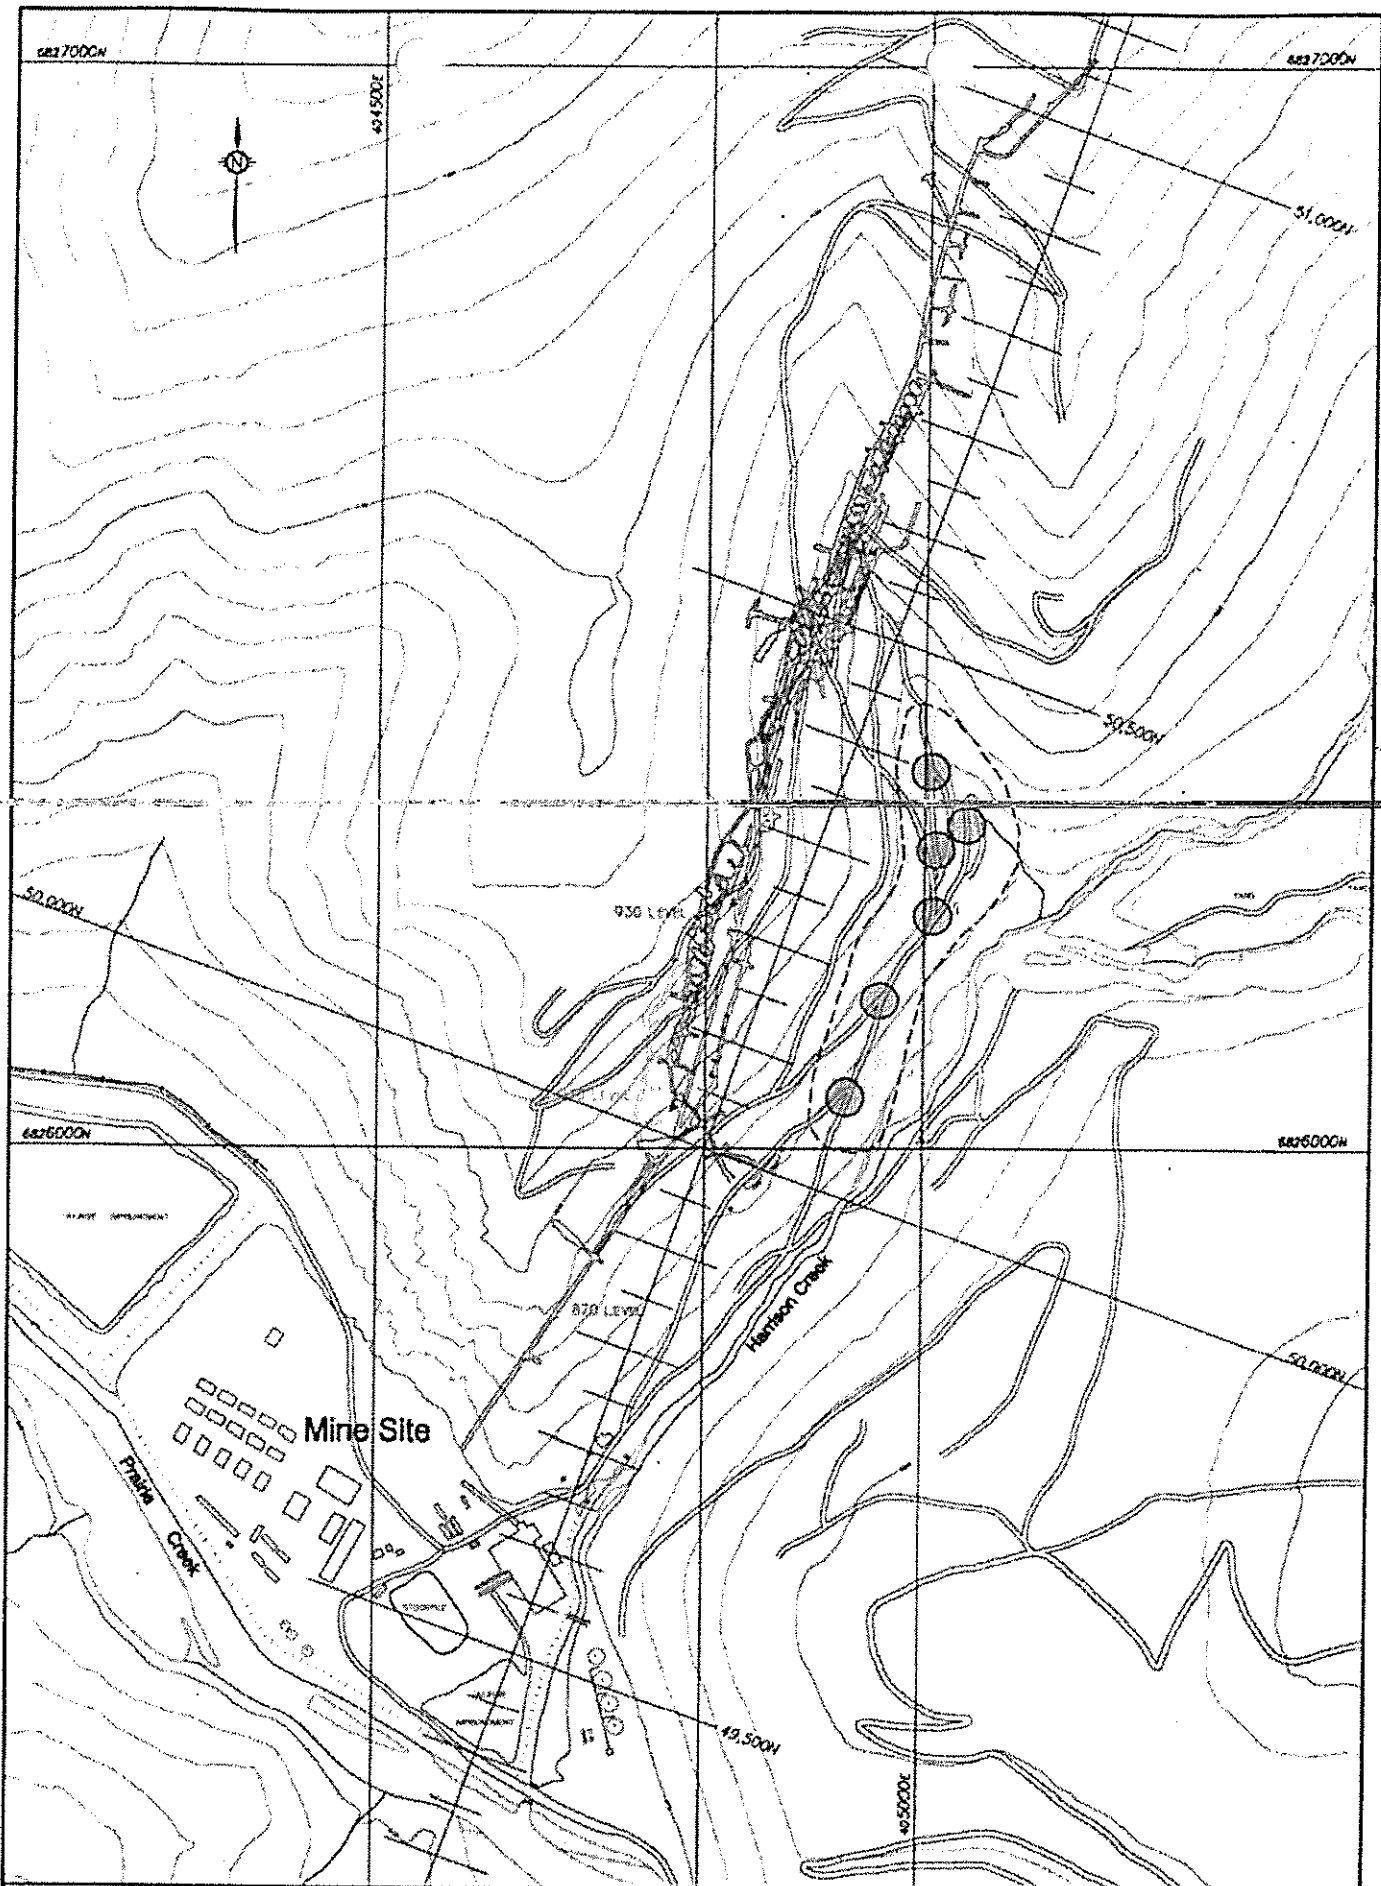

COPY

Yours truly,

Rhonda Schultz, Office Administrator
For J. Peter Campbell, VP Project Affairs
