Glenda,

Thank you for the reminder.
Environment Canada will be participating in the Snap Lake public hearings.
I will send you a note identifying the sessions in which we plan to participate on or before April 7th.
Please let me know if you require more information regarding EC's intentions at this time.

Mark

I believe Environment Canada is going to participate in the hearings - will you be informing (in writing) the MVEIRB of EC's intent to participate in the hearing by April 3rd? A simple email will do.
