Subject: Geochemistry References

Below are references related to Geochemistry that De Beers had committed to providing during the Public Hearing discussions on 29 April 2003:

- Blowes, D.W. and Logsdon, M. 1998. Diavik (Diavik Diamond Mines), Site Water Quality Estimates for the Proposed Diavik Project. Prepared for Diavik Diamond Mines. September.
- Frape, S.K. and Fritz, P. 1987. Geochemical Trends from Groundwaters from the Canadian Shield. In: Fritz, P. and Frape, S.K. (eds). Saline Water and Gases in Crystalline Rocks. Geological Association of Canada Special Paper 33.
- Blowes, D.W. and Logsdon, M. 1998a. Diavik (Diavik Diamond Mines), Diavik Geochemistry Baseline Report. Prepared for Diavik Diamond Mines, September.

I will be providing other information related to commitments made at the public hearing as I receive them. Documents (which you would have seen already) provided to me at the hearing itself will be posted to the website later this week.
