Changes to Post Hearing Work Plan
Timeline for the DeBeers Snap Lake Diamond Project

The Mackenzie Valley Land and Water Board wishes to notify reviewers that we are unable to send out the draft water license on March 2nd as anticipated in the existing workplan. While the process is going well, the draft has not yet been developed to the point where we are prepared to send it for review. We will notify all of the parties once we are in a position to provide revised dates.

Should you have any questions, contact me at (867) 669-0506 or mvlwbpermit@mvlwb.com.
