Subject: North Slave Metis Alliance - Preliminary/Jurisdictional Issues

Hi Glenda,

Natural Resources Canada's (NRCan) legal advisors are currently looking into the issues raised by the North Slave Métis Alliance (NSMA). As a result, NRCan is not yet in a position to provide you with a definitive answer as to whether we will or will not move forward after the NSMA files its evidence on April 16, as requested by the Review Board.

Upon receiving and analysing the NSMA filing of evidence, it is our intention to engage as necessary in the written hearing process.

Regards,

John Ramsey
