Dear Ms. DeBastien:

**Re: Paramount Resources Ltd.  
Land Use Permit Application MV2000P0055  
Water Licence Application MV2000L1-0014  
Pipeline Gathering System, Cameron Hills Area**

As you are aware, our office is counsel for the Ka'a' Gee Tu First Nation in respect of the above captioned matter. I have now had an opportunity to speak with our clients. The Ka'a' Gee Tu only received the licence amendment applications on August 19th. It would be impossible for them to properly review the material in order to provide their comments by August 23rd. Even in the event that Louise Mandell were not on vacation, the time frame for comments is simply inadequate. As you know, these issues are of importance and require adequate time for our clients to consider and respond to these amendment applications.

Your consideration of this is appreciated.

Yours very truly,

MANDELL PINDER
