Dear Ms. MacIntosh:

**Land Use Permit Application MV2000P0055**  
**Pipeline Gathering System, Cameron Hills**

The Mackenzie Valley Land and Water Board (MVLWB) acknowledges the receipt of your letter dated March 21, 2002 and would like to respond to your concern about Paramount's commitment to construct a gate to restrict access to the winter road.

Although the MVLWB issues and sets conditions on Land Use Permits and Water Licenses, all inspection and enforcement activities relating to those conditions are conducted by the Department of Indian and Northern Affairs Canada (DIAND). Accordingly we have forwarded your concern to the attention of Ed Hornby, District Manager, of the Department of Indian and Northern Affairs Canada. You may wish to contact Mr. Hornby with any follow-up concerns.

If have you further questions, contact Elaine DeBastien or Bob Wooley at (867) 669-0506 or email [mvlwbpermit@mvlwb.com](mailto:mvlwbpermit@mvlwb.com).

Yours sincerely,

*Paramount Resources Land Use Permit # MV2000P0055  
Mandell Pinder letter suggesting a permit condition violation.*

Condition # 88 refers to "commitments as outlined in Attachment 2 to the MVEIRB's report of Environmental Assessment on the Paramount Resources Ltd. Cameron Hills Gathering System and Pipeline Development". Attachment 2 refers to "Paramount has compiled all of it's commitments into the following table". I do not have a copy of this table. Would you please supply me with one. Thanks
