Re: North American Tungsten Corporation Ltd. –N3L2-0004

Dear Mr. Mathyk,

Upon initial review of the water license application we have not identified any concerns. We understand there is a deadline that must be adhered to, so we are submitting this letter as a response to the deadline.

We will be reviewing the document in depth and will be contacting MVLWB with any concerns we may identify in the near future.

Thank you.

Sincerely,

Ria Letcher
