Dear Mr. Antoine,

The Mackenzie Valley Environmental Impact Review Board (Review Board or Board) is starting the environmental assessment of the North American Tungsten Corporation Ltd. Cantung Mining and Milling development. This development is situated in the Nahendeh constituency of the NWT legislative assembly. The Review Board would be pleased to receive any comments or suggestions you may have regarding the attached draft terms of reference and workplan. Once approved by the Review Board these documents will guide the environmental assessment process and timing. The Review Board welcomes you comments up to and including January 24, 2003.

Sincerely,

Alan Ehrlich  
Environmental Assessment Officer
