Section 7 - Member of the Public

Please describe your reason for requesting status as a Member of the Public, the role that you intend to play in this EA and the information that you anticipate submitting to the Review Board. *UNP = Nahanni National Park*

(1) REASON / (2) ROLE (3) Submitting

- ① The reason I am requesting status as a Member of the Public is because I am concerned about the water uses currently planned upstream of the NNP.
- ② I would like to discuss the issues that will directly impact the NNP.
- ③ After receiving and reading all information generated by the EA process I would like to have the option of commenting or questioning the prints that will affect NNP.

Note 1:

There is no difference between the rights or obligations associated with the classifications of Directly Affected Party or Intervener. The two groups are together referred to as Parties in the Rules of Procedure. As such, there is no need to request status under both classifications.

An important distinction between a Member of the Public and the other two classifications is that a Member of the Public cannot issue or receive information requests or be cross-examined on evidence provided to the Review Board.
