Environmental Assessment Officer
Mackenzie Valley Environmental Impact Review Board
Box 938

Dear Mr. Azzolini

RE: EA02-003 North American Tungsten Corporation Ltd.

The Society of North American Tungsten Public Shareholders (SNAtPS) is a non-incorporated group of persons who

- i. are direct or indirect shareholders in North American Tungsten Corporation Ltd. And
- ii. are residents of the Northwest Territories.

As of today's date there are five members: Joan Schollar, Penelope Kocik, Dave Nickerson and Dave Smith of Yellowknife NT and Ted Grant of Fort Simpson, NT. Other resident shareholders may join in the future.

As shareholders of North American Tungsten, we are a directly affected party. Our reason for requesting status is that should a water license not be issued, then our investments become virtually worthless. The role we intend to play is that of monitoring proceedings with the ability to cross-examine other participants. We would like the opportunity to make general comments and perhaps to request information again of a general nature. We do not expect to become involved in highly technical matters.

Attached is the completed registration form, which you were kind enough to provide. We trust that you will find this in order but if there are any difficulties or should you require further information please call Joan Schollar at 873-3853 or Dave Nickerson at 873-2518.

Sincerely

Penelope Kocik
Treasurer
