

May 13 103

Please run the following PSA until Thursday evening, May 15.

Public Service Announcement.

The Mackenzie Valley Environmental Impact Review Board is holding a community hearing as part of its environmental assessment of the Northrock Resources proposed Summit Creek exploratory well program.

The meeting begins at 6:00 pm, Thursday May 15, at the Community Hall in Tulita . The community is invited to come out and present their views about this proposed development to the Review Board.

For further information phone Martin at 867-766-7053.
