As each of you will have noted in the draft Terms of Reference and Workplan for Environmental Assessments of proposed developments in the Drybones/Wool Bay area, the Review Board has proposed to streamline some aspects of these EA processes. You are invited to a meeting to discuss the EA Processes and CEA being commissioned by the Review Board for proposed developments in Drybones/Wool Bay.

**Location:** Scotia Centre, 2nd Floor Board Room of the MVEIRB  
**Date:** Thursday, July 3, 2003  
**Time:** 9:30 am

Please confirm whether you or an alternate will be attending by June 27, 2003.

Thank you.

Sherry
