Mr. Stephenson,

Thanks you for your e-mail. It has been noted and will be added to the public registry.

At the time of the last change to the schedule, the Board made it clear that it was making its final schedule change. I will, however, bring your request to the Board's attention on September 17th and 18th, the next scheduled Board meeting. I will inform you after that time if the Board decides to change dates. Unless you hear otherwise, please assume that the dates are unchanged.

Sincerely,

Alan Ehrlich  
Senior Environmental Assessment Officer  
Mackenzie Valley Environmental Impact Review Board

Subject: RE: Public Hearing Announcement

Alan and SHerry,

With respects to the Public Meeting and my initial request that it changed since I have been part of the lead "Developer" teams.

My schedule for the weeks of October:

Week ending Oct 3 - Free

Week ending Oct10 - "Pre-Thanksgiving week" - I anticipate being in Toronto or in Vancouver with my son for most of the latter part of this week (Wednesday at least)

Week ending Oct 17 - "Post thanksgiving week" - I have arranged a cruise vacation

Week ending Oct. 24 - have a 1 day annual meeting this week or the following that I must attend. Rest of the time is okay earlier in the week is better.

Week ending Oct. 31 - have a 1 day annual meeting this week or the previous that I must attend. Rest of the time is okay later in the week is probably better.

I appreciate that anyone's timing is bad but as I have been the most involved and through CONs. Goldwin the longest delayed in this process I do not believe that I am asking too much to be accommodated in the planning of the public hearing. Especially since it was originally planned for the Thanksgiving Long Weekend!

Please let me know as soon as possible what is the final decision on the date of this public hearing.

Thank you

Laurence Stephenson
