The NSMA do not have the time or resources to complete the worksheet for the pre-hearing conference. Please refer to the written submission made by the NSMA and already submitted to the Public Registry for issues and concerns that remain outstanding with the proposed diamond exploration at Drybones and Wool Bay.

Should time and workload permit, we will attempt to complete the worksheets by Monday morning.

We appreciate your understanding on this issue.

Sincerely,

Subject: Submissions on YKDFN's Request for Ruling

There has been some confusion about the deadlines for the submission of the Pre-Hearing Conference Worksheet and Comments on the Yellowknives Dene First Nation request for admission of confidential materials. In fairness to all parties, you may have until noon Oct. 31, 2003 to make submissions.
