Dear Ms. Sian:

RE: Public Hearing/North American Resources Corporation et al

At our recent meeting in your office you had indicated to the writer that the Board was seeking the services of an independent expert specifically as it related to the cultural significance of the Drybones/Wool Bay area to the local aboriginal peoples. Would you kindly advise whether or not you have located such an individual, the name of that individual and if possible an outline of their credentials.

Thank you for your attention to this matter.

Yours truly,

GALBRAITH EMPSON
