Dear Mr. Robertson;

Re: Directly Affected Party Status for the Environmental Assessments of Consolidated Goldwin Ventures (EA-03-002), New Shoshoni Ventures (EA-03-004), and Snowfield Development Corp. (EA-03-006)

On November 4, 2003 the Review Board considered and approved your request for directly affected party in the above noted environmental assessments (EAs). This decision was based on the information provided about cabin in the vicinity of the proposed developments.

The threshold for directly affected party status is a low one and this decision reflects the importance attached by the Review Board to an inclusive approach to community and first nation involvement in its EA processes. We caution, however, that directly affected party status in a Review Board EA is not intended to have any effect on compensation.

As these EAs are already underway, please ensure that you are aware of critical deadlines. Should you have any questions about the process, please contact me at 867-766-7063.

Sincerely,

A handwritten signature in blue ink that reads "Sherry Sian".
