Attention: **Martin Haefele**  
Environmental Assessment Officer

Dear Mr. Haefele:

**Re: Environmental Assessment – Cameron Hills**

We are counsel for the Ka'a'Gee Tu First Nation (the Ka'a'Gee Tu). We write on their behalf to request an extension for the due date for Information Requests. The Band would like an additional week to review the materials that have been provided, and to prepare more thorough Information Requests.

The Band is a directly affected party in this process, and as such wants to ensure that their participation in the process is as informed as possible. Formulating Information Requests and receiving responses to those, is an extremely important aspect of the Environmental Assessment process. They also have limited resources to engage with the volume of materials in this process, and an extension to December 12, 2003 would be of assistance.

We thank you for your consideration, and look forward to having the concerns of the Ka'a'Gee Tu addressed.

Yours very truly,

MANDELL PINDER
