Re: INAC's Drybones/Wool Bay Field Trip Report

Dear Fraser,

The NSMA recently received your report from the site visit to Drybones Bay and Wool Bay dated Oct 1, 2003. It is apparent Robert Turner, Land & Resources Manager for the NSMA, was not included in the participants list for the site visit. Please correct this oversight and provide the MVEIRB with a revised trip report.

Thank you for your attention to this matter.

Sincerely,

Original Signed By

Kris Johnson
