Dear Ms. Sian:

**Re: Environmental Assessment - Draft Terms of Reference and Work Plan
Snowfield Development Corp. - Drybones Bay, NT - MVEIRB File: EA-03-006**

With reference to your letter of July 18, 2003 and attached draft Terms of Reference and Work Plan, please be advised Snowfield Development Corp. ("Snowfield") has reviewed the draft Terms of Reference and Work Plan and accepts that document as presented. Snowfield does not have any further comments or proposed amendments to the draft Terms of Reference and Work Plan.

Also, please be advised that Snowfield has commenced preparation of its Developer's Assessment Report ("DAR") and expects to be able to submit that DAR within the prescribed time limits. Snowfield, in conjunction with other developers in the Drybones/Wool Bay area involved in the Environmental Assessment process, will be utilizing the services of EBA Engineering Consultants Ltd. as advisors in the preparation of Snowfield's DAR and to co-ordinate common responses and information amongst those other developers in the Drybones/Wool Bay area.

As requested in your letter of July 18th, please be advised that Snowfield would like to remain on the EA distribution list.

I trust that you will find this submission to be in order. Should further information be required, please do not hesitate in contacting me.

Yours very truly,

"Robert T. Paterson"

Robert T. Paterson
President
