**Subject:** Re-send of material re: Information Request

SDC IR fax 8  
September 2003.pdf..

Robert,

As per your request during our conversation this morning, a copy of the fax sent yesterday. Please review the attachment, it describes the IR process as one in which any party may direct questions to any other through the Review Board. If the Board decides your submission is in conformity, Information Requests may be released afterward.

Please call or e-mail if you have questions.

Regards,  
Sherry
