Dear Ms Sian,,

**Re: Confidential Reports of the Yellowknives Dene First Nation (EA-03-002, EA-03-004, EA-03-006)**

Please be advised that Snowfield Development Corp. ("Snowfield") is in receipt of your letter of November 12, 2003, outlining the Review Board's mechanism for sharing Yellowknives Dene First Nation's ("YKDFN") confidential reports in a manner that will protect the sensitivity of those materials while ensuring that those parties involved in the Drybones Bay area Environmental Assessment have access to this information.

Snowfield is of the opinion that the YKDFN and the Review Board have arrived at an acceptable method for dealing with this material.

Snowfield fully acknowledges and respects the concerns and sensitivities of the YKDFN with regard to the confidential nature of its reports outlining their cultural and heritage sites that are of great importance to them.

I take this opportunity to nominate the following Snowfield staff members as our observers who may require access to the information outlined in the YKDFN confidential reports:

Robert T. Paterson, President, Snowfield Development Corp.

Gennen W. McDowall, Director, Snowfield Development Corp.

Mike Beauregard, Ticho Project Manager, Snowfield Development Corp.

The Snowfield staff members who may request access, by their respective signatures hereinafter, each fully acknowledge the terms and conditions of access to the YKDFN confidential reports as detailed in your letter and hereby agree to respect those terms and conditions.

Respectfully

Robert T. Paterson,  
President & C.E.O. Snowfield Development Corp.
