Dear Ms. Keough:

**Board Decision – LUP Application for  
Mineral Exploration in the Horn River Area**

The Mackenzie Valley Land and Water Board (MVLWB) met on June 1, 2004 to deal with the aforementioned application. The decision was to refer the application to the Mackenzie Valley Environmental Impact Review Board (MVEIRB) for an environmental assessment pursuant to Subsection 125(1) of the *Mackenzie Valley Resource Management Act*. The reasons for decision and the preliminary screening report are attached for your information. Please note that the referral is based specifically on public concern regarding the location of the proposed development within the Edézhzié Candidate Protected Area, an area used for traditional purposes.

If you have any questions, contact Bob Wooley, Executive Director at (867) 669-0506 or email [mylwbpermit@mvlwb.com](mailto:mylwbpermit@mvlwb.com).

Yours sincerely,
