Hi Martin,

Here is a quick summary of CPAWS's presentation:

- 1) Background on CPAWS, Nahanni, and previous EAs
- 2) Review of definitions of cumulative effects and precautionary principle
- 3) Highlights of project description, TOR, DAR, IRs, TAR, and any additional company info.
- 4) Concerns
 - 4a) Revegetation
 - 4b) Identification of critical habitat and wildlife impacts mitigation
 - 4c) Cumulative Effects Assessment and Management
 - 4d) Remediation
 - 4e) Socio-economic impacts/benefits
- 5) Summary of Concerns and Recommendations

I will be submitting the formal presentation closer to the deadline as I am still sorting through all of the information as well as the missing parts.

Thanks,

-Jennifer
