RE: Requested Visit

Dear Concerned Band Members

Thank you for your letter dated August 31, 2004 (faxed October 7, 2004). We recognize your concerns and wish to address them appropriately. We must also give due recognition to the feedback we have already received from other members in your community. The intent of the land use planning session is to bring the community together as one voice to create a plan that addresses everyone's needs. To that end, we agree that further discussions in your community are required. Our Chairman, Herb Norwegian will be contacting you shortly to arrange a meeting.

Sincerely,

Heidi Wiebe
Executive Director
