### Canadian Zinc Corporation environmental assessment distribution list

#### **Re: Additions to Public Registry**

The Mackenzie Valley Environmental Impact Review Board (MVEIRB) added documents to the public registry for the environmental assessment of the Canadian Zinc Corporation's *Phase 3 Surface Drilling Exploration Drilling Program*. The following documents are now available on the MVEIRB's website at <http://www.mveirb.nt.ca/asp/ListType.asp?ProjectId=12>:

In the Correspondence folder:

- Letter to the Mayor of the Village of Fort Simpson from MVEIRB
- Notification of community visits in the Dehcho region
- Letter from MVEIRB to Dehcho First Nation
- Letter from the Mayor of the Village of Fort Simpson to MVEIRB regarding EA timelines
- Notification of Scoping Sessions in Yellowknife

In the Other folder:

- Canadian Zinc Corporation Powerpoint presentation given at Yellowknife scoping session
- Report of the Canadian Zinc Corporation Scoping Sessions

In the Technical Reports folder:

- Occurrence of Grizzly Bears in the Prairie Creek Area
- Letter from John Weaver to MVEIRB regarding grizzly bear research in greater Nahanni area

The video presented by Canadian Zinc Corporation at the March 3, 2005 Yellowknife scoping session is now available for general distribution. Parties wishing to obtain copies of the movie, in DVD format, should directly contact Alan Taylor, VP Exploration, Canadian Zinc Corporation at [alan@canadianzinc.com](mailto:alan@canadianzinc.com).

Any parties experiencing difficulties in obtaining documents from the MVEIRB website should contact either Patrick Duxbury at (867)-766-7062 or me at (867)-766-7073.
