

## Mackenzie Valley Environmental Impact Review Board

May 4, 2005

EA0404-002 Distribution List

Dear interested parties:

**Re: Further Additions to the CZN Phase III Drilling Environmental Assessment Public Record**

The following items have also been added to the public registry for EA0405-002 and are available in the online registry at [www.mveirb.nt.ca](http://www.mveirb.nt.ca).

***Hypotheses and Preliminary Experimental Designs for Investigating Impacts of Helicopter Disturbance on Dall's Sheep (1996)***

Research paper prepared for Yukon Fish and Wildlife Branch, Department of Renewable Resources. Background information. Approximately 35 pages.

***Fleeing Decisions by Dall's Sheep Exposed to Helicopter Overflights (1999)***

Research paper prepared for Yukon Fish and Wildlife Branch, Department of Renewable Resources. Background information. Approximately 18 pages.

***Behavioural Responses by Dall's Sheep to Overflights by Fixed-Wing Aircraft (1999)***

Research paper prepared for Yukon Fish and Wildlife Branch, Department of Renewable Resources. Background information. Approximately 16 pages.

***Flying in Sheep Country: How to minimize Disturbance from Aircraft (2002)***

Report to Mining Environmental Research Group, Yukon. Provides guidelines for reducing impacts when flying in sheep country. Four pages.

***Recommended Land Use Guidelines for Mountain Goat and Bighorn Sheep Ranges in Alberta (2001)***

Draft document containing recommendations for maximum allowable industrial activities within goat and sheep ranges. Three pages.

If you have any questions regarding these documents or the environmental assessment process in general, please do not hesitate to contact me at [mhaefe@veirb.nt.ca](mailto:mhaefe@veirb.nt.ca) or at (867) 766-7053.

Sincerely

Martin Haefele  
Environmental Assessment Officer
