## Party Status Request Form

	<b>Mackenzie Valley Environmental Impact Review Board</b>
FORM 1	

Name of Organization:	Beverly and Qamanirjuaq Caribou Management Board (BQCMB)
Name of Proceeding:	EA0506-003 Ur Energy Uranium Exploration – Screech Lake (including phase I public hearing and pre-hearing)

<b>Reasons for requesting Party Status in these proceedings.</b>
<ul style="list-style-type: none"> <li>• To raise concerns about the proposed project, which would occur on the range of the Beverly caribou herd. This information will be provided according to the mandate of the BQCMB, which is to advise governments and caribou range communities regarding conservation and management of the Beverly and Qamanirjuaq caribou herds and their habitat.</li> <li>• To assist the MVEIRB to gauge the level of concern about the project.</li> <li>• To provide the MVEIRB with information for conducting the EA of this project.</li> </ul>
<b>Participation:</b> Please describe how you or your organization intends to participate in this proceeding, such as what information, witnesses, or presentations you plan to submit.
<p>We will participate in the public hearing by providing a presentation that includes information about:</p> <ul style="list-style-type: none"> <li>• Recent recommendations made by the BQCMB for protection of Beverly and Qamanirjuaq caribou and caribou ranges.</li> <li>• Concerns regarding the environmental impacts (including cumulative impacts) of mining on the Beverly caribou herd and its habitat, and on the Thelon watershed.</li> <li>• Concerns specifically regarding the environmental impacts of uranium mining on Beverly caribou and caribou range, and on the Thelon watershed.</li> <li>• Experience gained from the review of a uranium mine proposed near Baker Lake in the 1980s.</li> <li>• Experience with the impacts of ongoing uranium mining in northern Saskatchewan, based on information provided by BQCMB members from Saskatchewan.</li> </ul> <p>This presentation will be based on knowledge gained by the BQCMB during more than 20 years of tracking developments on the Beverly and Qamanirjuaq caribou ranges, and will include information contributed by community and government representatives. Eight to ten community members are appointed from across the Beverly and Qamanirjuaq caribou ranges - from the South Slave region of the Northwest Territories, northern Saskatchewan, northern Manitoba, and the Kivalliq region of Nunavut. Five members represent governments (of two territories, two provinces and the federal government).</p>
If you represent a Responsible Minister or Responsible Authority please state which one. List the licences, permits or authorizations issued by your organization relevant to this proceeding.
Not applicable

	<b>Mackenzie Valley Environmental Impact Review Board</b>  <b>FORM 1</b>
---	--

Name of Organization:	David F. Pelly (individual, member of the public)
Name of Proceeding:	EA0506-003 Ur Energy Uranium Exploration Screech Lake

<b>Reasons for requesting Party Status in these proceedings.</b>  I am concerned about the future of the environment in the region of this proposed activity. I want to represent what I am sure would be widespread public opinion were people across Canada aware of this proposed development.
<b>Participation:</b> Please describe how you or your organization intends to participate in this proceeding, such as what information, witnesses, or presentations you plan to submit.
I will follow this with a letter to the MVEIRB detailing my concerns. I will also provide the Board with a copy of my book on the Thelon River region, which many people have declared the most comprehensive account of the area, its history and cultural significance. I would urge Board members to read this book.
If you represent a Responsible Minister or Responsible Authority please state which one. List the licences, permits or authorizations issued by your organization relevant to this proceeding.

## Request for Party Status

<b>Name of Organization:</b>	Government of the Northwest Territories
<b>Name of Proceeding:</b>	EA 0506-003 Ur Energy Uranium Exploration Screech Lake

### Reasons for requesting Party Status in these proceedings.

The GNWT is a designated agency for the NWT Archaeological Sites Regulations (pursuant to the NWT Act). The Territorial Minister is responsible for issuing archaeologists research permits. The GNWT has shared responsibility for:

- Management and protection of archaeological sites throughout the NWT.
- Social well being and economic development.

The GNWT is responsible for :

- Management of wildlife and its habitat.
- Management of forests including fire protection.
- Environmental protection including spills, air quality, and related guidelines.
- Management of social, cultural, economic impacts and opportunities associated with the above.

Relevant acts include: NWT Environmental Protection Act, NWT Wildlife Act, NWT Forest Management Act, NWT Forest Protection Act, NWT Historical Resources Act, Environmental Protection Act, NWT Public Highways Act, NWT Transportation of Dangerous Goods Act.

### Participation:

Please describe how you or your organization intends to participate in this proceeding, such as what information, witnesses, or presentations you plan to submit.

The GNWT will participate in all aspects of the process

### If you represent a Responsible Minister or Responsible Authority please state which one.

List the licences, permits or authorizations issued by your organization relevant to this proceeding.

The GNWT represents a Responsible Minister.

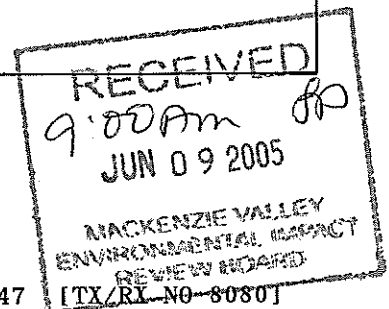

### Contact Information:

Please confirm the organization's contact information and the name of the primary contact person for Board correspondence purposes.
