Tyhee NWT Corp – Yellowknife Gold Project Distribution List

Re: Yellowknife Gold Project (YGP) – Date and Location of Issues Scoping Session

On May 18, 2005, the Mackenzie Valley Environmental Impact Review Board's (the "Review Board") notified the YGP Distribution List of its intention to hold an *Issues Scoping Session* in Yellowknife to assist the Review Board in the preparation of its *Terms of Reference and Work Plan* for the environmental assessment of the YGP.

After hearing back from interested parties, the Review Board has scheduled Scoping Sessions for **Wednesday, June 15** and **Thursday, June 16, 2005**. The Review Board believes that a two-day session will provide sufficient time for the key issues to be addressed, as well as offer some flexibility to parties to attend who may otherwise have scheduling conflicts. **The Scoping Sessions will be held in the Tungsten Room of the Yellowknife Inn and will occur between 9:00 am and 4:30 pm.** A detailed agenda of the Scoping Session will be distributed shortly.

Please direct all correspondence regarding this environmental assessment to Patrick Duxbury, Environmental Assessment Officer by phone at (867)-766-7062, by fax at (867) 766-7074 or by email at pduxbury@mveirb.nt.ca. Interested parties can be provided with electronic copies of Tyhee NWT Corp's *Detailed Project Description* on request.
