Dear Chief Tsetta:

Re: Consolidated Goldwin Ventures Inc. (Encore Renaissance Resources) and Debogorski Hearings

The Review Board met on August 25th, 2011 to consider the Yellowknives Dene First Nation's (YKDFN) letter of August 15th, in which the First Nation requested that the Debogorski hearing be delayed a minimum of 30 days. At the same time the Review Board also considered the YKDFN's letter of August 22nd, requesting that the transcripts from YKDFN's testimony at the Consolidated Goldwin Ventures Inc. (CGV) hearing on September 12th and 13th be automatically copied to the Debogorski EA registry.

The Review Board has decided to go ahead with the two hearings as scheduled. However, to avoid duplication of efforts, the Review Board will immediately transfer the transcripts from the YKDFN's testimony at the CGV hearing on September 12th & 13th to the Debogorski registry.

If you have any questions or concerns regarding the CGV hearing, please contact Alan Ehrlich, Senior Environmental Assessment Officer, at 867-766-7056. If you have any questions or concerns regarding the Debogorski hearing, please contact Darha Phillpot, Environmental Assessment Officer, at 867-766-7066.

Sincerely,

Darha Phillpot
Environmental Assessment Officer
