Re: Notice of financial support for Aboriginal groups to travel to the hearings

The hearings for the Consolidated Goldwin Ventures Inc. (now Encore Renaissance Resources) Mineral Exploration Program (EA0506-005) and the Debogorski Diamond Exploration Project, Drybones Bay (EA1112-001) have been set for September 12 & 13 and September 14 & 15, respectively.

The Review Board will be providing financial support for Aboriginal groups who reside outside of Yellowknife to travel to Yellowknife to participate in the hearings, which will be held in the N'dilo Gym in N'dilo. Financial support will be provided for up to three people per organization, and will cover:

- Airfare;
- Accommodation;
- Per diems (not including meals that are provided); and
- Taxi fare for local transportation to and from the airport, and the hearings.

The total maximum funding that is available will depend upon airfare costs and the number of days parties will participate in the hearings.

Jessica Simpson, Community Liaison Officer will be in contact with out-of-town parties to assist with logistics. If you have any questions, please contact me directly at 867-766-7066 or toll free at 1-866-912-3472.

Sincerely,
