

KEY MESSAGES FROM THE NWT TREATY #8 TRIBAL CORPORATION

SIDON AND CGV PUBLIC HEARINGS (APR. 3-4, 2007)

The MVEIRB must require an adequate cumulative effects assessment of Sidon's and CGV's exploration activities upon the Shoreline Zone prior to the completion of the EA.

The MVEIRB must make the following MEASURES:

- No permits/licenses issued in the Shoreline Zone until the federal obligation to consult regarding rights-based assertions has been adequately disposed.
- No permits/licenses issued in the Shoreline Zone until conservation and land-use planning is completed.
