

## Mackenzie Valley Environmental Impact Review Board

Our file: EA0506-007

Wednesday, August 9<sup>th</sup>, 2006

To: Parties to the Paramount SDL8 Environmental Assessment  
Re: Notification of references

Dear Parties,

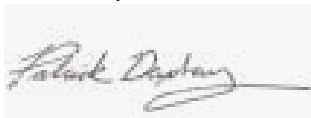

The Mackenzie Valley Environmental Impact Review Board (Review Board) is compiling a number of reference documents that it may consider using in its deliberations on the environmental assessment of Paramount Resources Ltd.'s Significant Discovery Licence 8, 2D Geophysical Program (SDL8). The Review Board has made these documents available on its public registry. Parties interested in obtaining any of the listed documentation should contact the Review Board.

1. Anderson, R.B., Dyer, S.J., Francis, S.R., and Anderson E.M. 2002 Development of a Threshold Approach for Assessing Industrial Impacts on Woodland Caribou in Yukon (draft report). Prepared for Environment Directorate, INAC, Yukon.
