To: Miramar Con Mine Referral Distribution List

May 26th, 2006

Dear Sirs/Madams;

Re: Miramar Con Mine Ltd. Ruling re: Applicability of MVRMA s157.1

This note is to inform you that the Mackenzie Valley Environmental Impact Review Board has ruled that s.157.1 of the *Mackenzie Valley Resource Management Act* applies to the proposed Water License amendment application by Miramar Con Mine Ltd. for ongoing treatment of contaminated sludge and water on the site. Consequently this amendment application is not subject to Part 5 of the *Act*.

Further details will be available in the *Reasons for Decision* document, which will be released within the next two weeks.

Sincerely,

A handwritten signature in black ink, appearing to read "Vern Christensen".
