Dear Parties

RE: Extension to further submissions deadline

The Mackenzie Valley Environmental Impact Review Board met on May 23, 2008, and has decided to extend the deadline for further submissions from Parties in relation to the above-mentioned environmental assessment files from May 23, 2008 to May 30, 2008, in response to a request for extension from Joe Murdock on behalf of the Lutsel K'e Dene First Nation's Wildlife, Lands and Environment Committee, received by the Review Board on May 22, 2008.

Parties who have already submitted comments for the public record have the opportunity to update their comments if they so choose, with the same deadline of May 30, 2008.

Uravan Minerals Inc. and Bayswater Uranium Corporation now have until June 16, 2008 to submit their views and to respond to other Parties' submissions.

Sincerely,

Alistair MacDonald
Environmental Assessment Officer
